***Christ Church Preschool is embarking on a new format where we will not offer individual classes for age groups. Instead, we will give you the option to choose the number of days you prefer your child to attend classes: 2 days, 3 days, 4 days, or 5 days. All classes run from 8:45am-12:00pm daily. 4-year-olds planning to attend Kindergarten in Sept. 2026 must register for our 3-day program on M/W/F and add additional days if desired. Our curriculum will be structured so that age-based lesson plans are presented with material covered weekly so that no matter what days you choose, each student is guaranteed to receive the appropriate instruction. 4-to-5-day students will have the opportunity to participate in extra practice and deepen their skills.***

***Please visit our website at [www.ChristChurchKids.org](http://www.ChristChurchKids.org) for more information about our Preschool.***
